Dear Group Member

LONDON HEALTH & SAFETY GROUP – ANNUAL GENERAL MEETING

Our Annual General Meeting is being held on Monday 18th April and I am sending this notification to you to ensure that you receive at least 21 days notice; as required by the Constitution.

The AGM will commence at 2pm. To celebrate our 75th Anniversary we will be providing a light lunch from 1pm. The venue is the Walbrook Wharf, 79-83 Upper Thames Street, London, EC4R 3TD. The nearest underground is Cannon Street (District & Circle and BR). Other underground connections are Bank (on the Waterloo & City Line, Northern & DLR) and Mansion House (District & Circle).

The Agenda for the AGM is attached. In addition, there is a copy of the AGM Minutes for 2015 for approval at the meeting.

The Agenda gives details of those members who have already been nominated for election to the Executive Committee. However, additional nominations are welcomed at anytime up to 14 days before the AGM. The attached Nomination Form is to be used should you wish to become a candidate for election to the Executive Committee.

I would like to take this opportunity to remind corporate members that if they have more than one planned attendee for the AGM that they will need to confirm which one has been appointed to vote on their behalf. Only current members are eligible to vote.

Directly after the formalities of the AGM, the majority of the meeting will be devoted to a legislative update presented by Kizzy Augustin, criminal regulatory lawyer at Pinsent Masons

I look forward to welcoming you,

Yours sincerely,

Lisa Hayes

awareness training:

'Information instruction and training on asbestos awareness is merely intended to help workers **avoid** carrying out work that will disturb asbestos. There is no legal requirement to repeat an entire formal awareness refresher training course every 12 months. However some form of refresher should be given, as necessary, to help ensure knowledge of asbestos awareness is maintained.' <http://www.hse.gov.uk/asbestos/training.htm>

7. Chair's Annual Report

The Chair's report from Lisa Hayes has been included in full:

'This was another successful year for the London Health and Safety Group with regard to our activities, fortunately due to the ongoing support of The City of London Corporation we have not had to dip into our reserves and have been able to keep our membership fees static.

Over the past year we have moved forward in many areas, including:

- The launch of our redesigned website
- The introduction of a pay by the meeting option of attendance
- Winning an Alan Butler Gold Award at the SGUK awards ceremony

None of this is achievable without the many hours given by the elected committee who give their time selflessly, working together to support the group and its aims. Volunteers don't necessarily have the time, but they have the heart.

As we reach the end of our year it is time to say goodbye and a huge thank to three special people that have supported the group for many years. Roger Lummis, our treasurer for many years has resigned from the committee, as has Elaine Tym, our previous chair and treasurer amongst other roles. Their tireless work that has often gone on behind the scenes has helped to shape the group into the award winning formula we now have.

Our additional goodbye goes to a committee member that too many has become one of the

main faces of the group and whilst we are sure that we will still see Abi in a social setting she is taking a sabbatical from committee duties.

The 40th Anniversary of the introduction of the HSAWA was a good time to reflect on how we have moved forward. In the past we have concentrated on providing technical advice on specific issues, in more recent years we have taken on a more holistic approach and included more support on the softer skills required to win hearts and minds in our common goal to improve safety across our various workplaces. We will continue to provide our members with the support on both the legal requirements as well as the persuasive techniques to assist in proving safety is good business.

We recognise the dedication of our guest speakers in helping us to manage the services we provide both to individuals and to organisations. We are fortunate that our speakers volunteer their services to support the group. By having a supportive membership we can attract high calibre speakers and by having the right speakers we attract the members so without you all we wouldn't be able to continue to grow. So thank you all for your support.

Next year will be the 75th anniversary of the group and we intend to mark this event in a style that our founders would have appreciated so get ready to watch this space!

Gifts for the valued Committee Members resigning from the Group were organised by Marion Murphy
